

The background of the slide features a high-angle, close-up view of ocean waves crashing onto a sandy beach. The water is a vibrant turquoise color, with white foam from the breaking waves visible. The sand is a warm, golden-brown color, appearing in the foreground and along the edges of the frame. The overall composition is dynamic and naturalistic.

A person wearing a blue cap and a white tank top stands on the peak of a large sand dune. They are throwing a handful of sand into the air, creating a vertical plume of golden sand that rises into a blue sky filled with white, fluffy clouds. The person's arms are outstretched, and they appear to be enjoying the moment. The sand dunes in the background are rolling and smooth, with some shadows indicating the sun is high in the sky.

those who do not travel
read only one page."*
